

GREATER *Than* YOURSELF > MENTORING Gift CERTIFICATE

With this gift I promise to pass along my Knowledge, Give My Time, Deliver to you my Connections, Life Lessons, Insights and Counsel

I Promise:

I will Commit to a percentage of weekly time to meet with you and counsel you.

I will make a difference in your life by promoting your Welfare, Fortune, Success and Capacity for Achievement.

I will invest in our relationship, share my "personal inventory" and ask you to do the same. I will discover your hopes and dreams, and demand of myself to commit to the achievement of your hopes and dreams at least as much as my own.

This certificate delivers Knowledge, Connections, Experience, Insights, Advice and Counsel, Life Lessons, Confidence, Words and Gestures of Encouragement, as well as a healthy dose of Tough and Honest Feedback.

In his book *Greater than Yourself: the Ultimate Lesson in True Leadership*, author Steve Farber illustrates how the truly great leaders in life and work become so by causing others to be greater than themselves. Dedicating ourselves to bringing others up so that *they* can achieve more than you is the ultimate way to boost talent, ramp productivity, and create truly significant current and future leaders.

With this Certificate, I dedicate Myself to You and Your Success.
